

WHAT IS THE IB DIPLOMA PROGRAMME?

The International Baccalaureate (IB) is a highly regarded, exciting and challenging two-year university preparation program taken during grades 11 and 12.

DESCRIBE THE PRE-IB PROGRAMME?

Students accepted into IB in grade 9 enter the Pre-IB Programme. They are streamed with like-minded students into prep courses in English, Math, Science, French and the Humanities. In Pre-IB, students develop skills and confidence necessary for success in the IB Diploma Programme. Pre-IB students select from a wide range of electives to complete their timetable.

WHY IS THE IB PROGRAMME UNIQUE?

IB emphasizes international mindedness, and uses an interdisciplinary approach. IB students cultivate high standards in critical thinking, advanced lab work, oral communication, writing, research and more. Part of a global community of scholars, Kenner IB graduates are recognized world-wide, and they thrive in university.

HOW DO I APPLY?

You need a copy of your recent report card, a letter of reference from a current teacher, a writing sample, and recent Unit tests in Math and Science.

Go to our website, or call Peter Mullins, our IB Coordinator, at 705-743-2181 x 259 for an application.

Deadline for applications is Friday, January 24th 2020.

HOW DO I FIND OUT MORE?

"IB Virtual Information Night"

Wednesday December 8th • 6:30-7:30pm

"Tour" the school • Live "Q & A"

Use this link to join us:

HOW WILL I BALANCE SCHOOL, OTHER ACTIVITIES, AND A SOCIAL LIFE?

IB students learn excellent time management. They are engaged in school and are leaders in the community. Kenner is a smaller school, so it is easy to get involved in sports and clubs, and connect with students with similar interests. These varied activities help you to develop a wide circle of friends.

WILL I RECEIVE BUSING?

IB is a KPR-supported specialized program. All students living in Peterborough County are guaranteed busing, provided they live outside of Kenner's catchment.

WHAT ARE THE ADVANTAGES OF IB?

Classes of like-minded students. Enriched curriculum in 6 subject areas. Specifically trained faculty. IB grads receive an internationally recognized, portable accreditation. At university, they enjoy transfer credits, preferential program placement and increased access to scholarships. IB graduates are well-rounded lifelong learners, and conscientious global citizens

THE KENNER ADVANTAGE

Supportive – Kenner’s smaller size allows for increased individual attention for students, and results in retention rates well above the international IB average.

Established – In June 2020, IB at Kenner will celebrate its 11th graduating class. All IB faculty receive up-to-date specialized training. Kenner IB grads are studying all over the world in a wide range of fields.

Effective – For 11 straight years, Kenner has achieved program results, including retention, well above the IB international average. These statistics compare Kenner against public and private IB schools from around the world. In the IB world, Kenner is on the map!

THE IB DIPLOMA PROGRAMME IS FOR MANY KINDS OF STUDENTS:

Students who are already academically strong and know they want to go to university.

The IB Diploma Programme helps develop the skills to do well at university and succeed in professions such as engineering, journalism, business, medicine, international development, the sciences, and more.

Students who could be high achieving if they were motivated to do their best.

Maybe school hasn’t challenged you enough yet. Maybe your brain needs more exercise. This program could be the start of something big in your life. Think about the IB Diploma Programme if you enjoy a challenge.

Students who are community leaders.

The IB Diploma Programme features individualized Leadership Development called Creativity, Action and Service (CAS). During 150 hours of service students develop strong resumes for future success.

Apply for the IB Diploma Programme if you want a challenging high school experience.

See yourself in IB!

SOME OF OUR IMPRESSIVE GRADS:

An IB Diploma leads to post-graduate success.

Jennifer Boyce ('08), was a member of our 1st graduating class. After completing an internship at The United Nations, Jenn is now a Corporate Liaison for “Me to We.”
